Author Jay Niblick- What's Your Genius?

Need to improve performance in your organization?

Ever wondered what determines Peak Performance in successful individuals?

Results Group LLC is delighted to sponsor another Results series seminar which will introduce Jay Niblick to Central Iowa business leaders to talk exclusively about two of the factors that drive top performance in industry. For over a decade, Innermetrix has helped individuals, organizations and multi nationals drive performance by understanding their greatest asset, their people, to break down the barriers that inhibit performance.

This seminar will, in a practical and immediately usable way, bring to life the findings from one of the largest ever studies into 'successful performance'. By attending you can learn in a half day, that which took years to confirm. Benefits you will receive are:

- Key Knowledge Which Took 7 Years And A Global Study To Confirm**
- Free Course Workbook To Begin Your Personal Program**
- Personal *Genius* Profile**

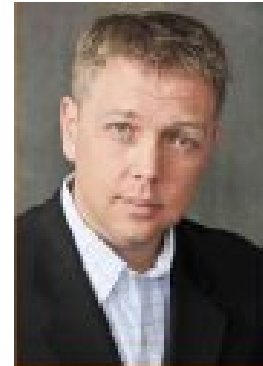

Jay Niblick is one of the world's most respected experts in helping organizations and individuals improve performance. In this powerful seminar, he will show how to create success at all levels by fundamentally changing your thinking.

The results of his 7 year research study challenged traditional management theories and identified the two key factors that drive top performance in industry. Jay used these to develop powerful methodologies that have been embraced by some of the world's most inspirational corporations. Now he is sharing these through his new book and personal development program "*What's Your Genius?*".

Anyone, or any organization, can utilize these tools to drive performance, create efficiency by being cost effective, grow productivity and increase service levels while ultimately improving profitability throughout the entire organization.
